

Regulations for Accepting Pets in Our Hotel

Our hotel has always accepted pets (dogs, cats, etc.), but for the respect of other guests and for common hygiene rules, owners must ensure compliance with the following rules:

1. The presence of the pet must be communicated at the time of booking or at check-in.
2. The management reserves the right to accept the pet at its discretion if it does not conform to what was declared by the guest.
3. Pets must always be kept on a leash both inside the hotel and in the surrounding external areas (parking lot, playground), and any pet waste must be removed from our external areas.
4. Guests must be adequately equipped for the well-being of their pets.
5. It is forbidden to use bed and bath linen for the pet (grooming, bedding, or other purposes).
6. Pets are strictly prohibited from getting on beds, armchairs, chairs, tables, etc.
7. The behavior of the pet must be managed by the owner so as not to disturb other guests.
8. It is strictly forbidden to leave pets alone in the rooms at any time during the stay (day and night).
9. It is strictly forbidden to bring any pet into the breakfast room/restaurant.

All operations necessary to restore environmental hygiene in the rooms occupied by the pet are the complete responsibility of the guest. If traces (fur, excrement, or other) are found on the beds or linen, the cost of the contaminated item will be charged to the guest.
